

Learn the Facts

LUNGeVity Foundation is changing outcomes for people living with lung cancer through research, education, support, and advocacy. Share these facts to spread awareness and help make lung cancer a national health priority.

FACT: ANYONE CAN GET LUNG CANCER

1 in 15 Americans will be diagnosed with lung cancer. More than 221,000 will be diagnosed this year

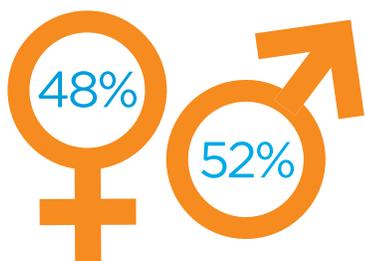

60%-65%

of all new lung cancer diagnoses are among people who have never smoked or are former smokers

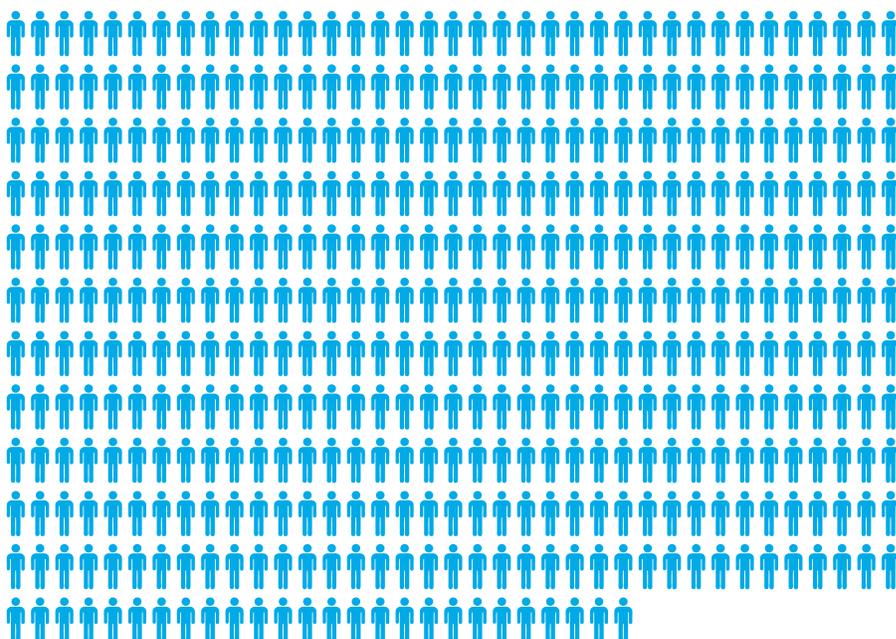

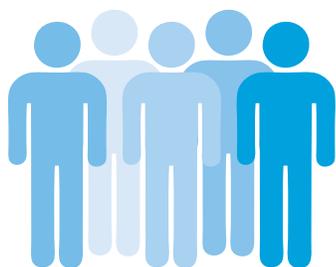

10%-15%

of lung cancer cases are in never smokers

Every 2 1/2 minutes someone is diagnosed with lung cancer

Lung cancer can affect anyone regardless of gender or ethnicity

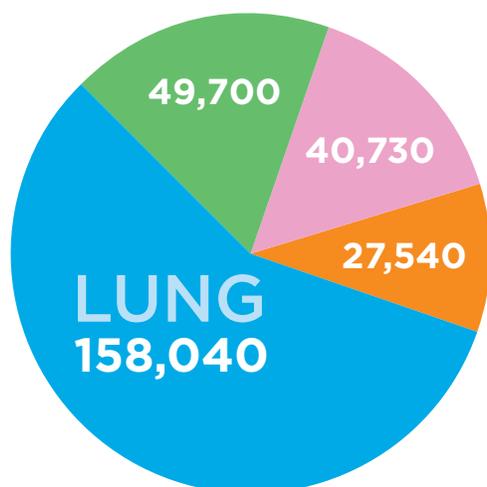

433 Americans will die of lung cancer today

FACT: LUNG CANCER IS RARELY DETECTED EARLY ON

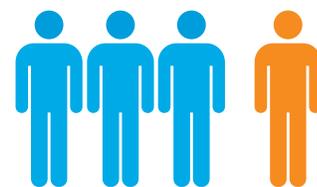

Lung cancer accounts for **13%** of all new cancer diagnoses, but **27%** of cancer deaths

Only **17%** of all people diagnosed with lung cancer will **survive 5 years** or more, but if it is caught before it spreads, the chance for 5-year survival improves dramatically

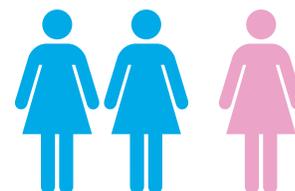

● Colorectal ● Breast ● Prostate

Lung cancer takes more lives annually in the U.S. than the next three deadliest cancers combined

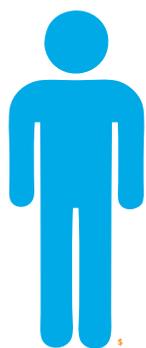

Lung cancer kills three times as many men as **prostate cancer**

Lung cancer kills almost twice as many women as **breast cancer**

FACT: LUNG CANCER RESEARCH NEEDS INVESTMENT THAT MATCHES THE IMPACT OF THE DISEASE

Annual number of cancer deaths versus **amount of federal funding**: Dollars spent per life lost

LUNG
158,040
\$1,680

COLORECTAL
49,700
\$6,344

BREAST
40,730
\$25,118

PROSTATE
27,540
\$12,644

Lung cancer is the leading cause of cancer death, taking almost **160,000 lives** each year, yet **only 6% of federal research dollars** spent on cancer research are spent on lung cancer

LUNGeVity Foundation is firmly committed to making an immediate impact on increasing quality of life and survivorship of people with lung cancer by accelerating research into early detection and more effective treatments, as well as providing community, support, and education for all those affected by the disease.
