

International Lung Cancer Survivorship Conference
Friday, July 15 -Saturday, July 16, 2022
Draft Agenda

We are looking forward to an information-filled weekend on a variety of different topics that impact the lung cancer community.

In order to ensure we were able to cover a broad variety of topics, we encourage you to view a few of our sessions prior to the conference to begin your educational journey. Please visit www.lungevity.org/ilcsc to view the following sessions:

- **Chemotherapy 101** – Jyoti Patel, MD, Medical Director of Thoracic Oncology and Assistant Director for Clinical Research at the Lurie Cancer Center; **Northwestern Medicine**
- **Surgery 101** –Timothy Mullet, MD, MBA, FACS, Medical Director, Markey Cancer Center Network Development; **UK Markey Cancer Center**
- **Radiation 101** – Drew Moghanaki, MD, MPH, Professor and Chief of Thoracic Oncology Service; **UCLA Health**

Full Conference Agenda for Friday and Saturday is included on the following pages.
